Scholastic has set up a great initiative to keep kids learning from home.

Even when schools are closed, you can keep the learning going with these special cross-curricular journeys. Every day includes four separate learning experiences, each built around a thrilling, meaningful story or video. Kids can do them on their own, with their families, or with their teachers. Just find your grade level and let the learning begin!

-The Editors of Scholastic Classroom Magazines.

<https://classroommagazines.scholastic.com/support/learnathome.html>

They include a lesson per day, which consists of a read-along story, and some exercises and activities related to the story, such as finding vocabulary from context, fact or fiction, sequencing. Moreover, they also provide a video with general knowledge or information related to the story, and an at-home activity that can be done.
